BARROWS

BUILDERS' HARDWARE

has enjoyed a most enviable reputation for dependability, lasting durability, refinement and authenticity of design. Barrows manufactures a broad line of quality locks and building finishing hardware, ranging from moderately priced steel and iron goods to the finest cast bronze "jewelry" hardware. It is our constant aim to produce the very best that is made in each classification.

This

CATALOG No. 38

is not only an illustrated, descriptive list of our products, but constitutes a valuable reference book containing a wealth of technical information useful to architects, draftsmen, contractors, distributors and builders' hardware engineers.
